- Consulate of R.U. Myanmar in Italy
- Embassy of Italy in Myanmar
- Fondazione Lerici
- EURAC
- Museo Arte Orientale – Turin
- Group of Myanmar artists in Yangon
- Exhibition “Immagini di luce”

# WS initiative ‘ roots

- The exhibition “ Immagini di luce” drive us to consider the relevance of cultural heritage
- Culture and cultural heritage are fundamental for human being ;
- Computer science and technology help understanding, preservation of cultural heritage ;
- Insufficient resources are for cultural heritage ;
- Myanmar is in a peculiar status for paying attention to his cultural heritage;
- May we do something for that ?
- Draft a project ?

- Videomessage of Mr. Ganelli honorary consul of Myanmar in Italy
